

## WATER RESISTANT CHAIN LUBRICANT FS CHAIN COAT

### Product Overview

*FS Chain Coat is a semi-synthetic water clear, odourless, tasteless and food safe lubricant. It has been specifically designed to penetrate into difficult areas, displace water and lubricate. Further more it contains additives that will resist wash off and over time will create a highly adhesive coating, protecting metal surfaces from corrosion.*

### Typical Applications

- **Chains, slides and pivot points subjected to operating in wet environments.**
- **Low temperature applications such as conveyors operating in freezers**
- **Dairies and chilled production where moisture levels are high**
- **Suitable for automatic lubrication systems.**

### Features and Benefits

- Clean in use. Water clear, tasteless, odorless fluid.
- Disperses water.
- Contains hydrophobic oil and polymers lubricates and leaves water resistant coating.
- Protects against corrosion.
- Can be applied through automatic lubrication systems including drip feed systems
- Versatile can be used to aid assembly and disassembly, also for lubrication of delicate mechanisms.
- InS H1 Registered, made with FDA listed ingredients

### Directions for Storage and Use

Product is to be stored in a clean, dry, storage area in its original sealed packaging.

Shelf Life (unopened) – 3 years approx \*

Apply by Brush, sprayer, drip feed or auto lube system.

### Disclaimer

The data sheet is based on personal knowledge and experience and is given as a guideline to its possible uses. It does not take into account variables or conditions out of our control that can affect our product in any way. It is the users' sole responsibility to ensure that the product is suitable for the purpose for which it is being used and this data does not in any way form a warranty. If you are unsure of its suitability please contact us and we will be happy to discuss your needs and supply a sample for testing if required. New Tech Lubes Ltd is committed to supplying the best products and may therefore change the information in this specification at any time.

Available Sizes
5ltr
